***Motion by R. Gray to recommend Article P-12-18 (Citizen's Petition).  
2nd by J. Sherman.***

J. Sherman noted this Article was a tough one.

R. Gray noted there was a lot discussed on this Article today; not comfortable that no one brought forth Westville Home Area Zoned Commercial; concerned for people in that area; however he understands the Intent.

M. Curran discussed concern for the people; people need to know what is going on; Article is looking for people's opinion however the Article does not ask Board to do more or less, it doesn't change the path and it doesn't accomplish anything.

D. Poliquin noted he was more comfortable with the Intent now as it is written.

J. Sherman noted he was going to vote to recommend.

R. Gray noted the problem was with the original wording of the article.

Board expressed opinion of the Article.

***Vote: 5-0-0.***
