6:35 p.m. The Board discusses the results of the Union Grievance filed by MEO Linda Vavairins regarding compensation for Holiday Pay:

Mrs. Vivairins will receive one Compensatory Day for each Monday Holiday listed in the Collective Bargaining Agreement. She understands that the taking of the day is subject to the approval of both the Police Chief or his designee and Ms. Pratt or her designee at Plymouth Growth & Development Corporation and that such approval shall not be unreasonably withheld. She will receive one day for the Memorial Day holiday, but she may not use that day before Labor Day.
