The offer to purchase the MBTA lot for \$380,000 with \$10,000 being non-refundable was not accepted. The response was that the offer was too low therefore the lot would be put out to bid.

Mr. Quintal motions and Mr. Zanotti seconds to counter offer \$415,000.00 with a 10% deposit (\$10,000.00 of it being non-refundable) to purchase the lot.
