## Meeting Minutes

## Meeting Started at 5:03PM

## Fire Department Budget Review (with Chief John Bennett)

The Chief presented a draft, level-funded budget. The budget review included both the Fire and Ambulance budgets. There are several challenges that may impact maintaining a level-funded budget. Response time for ambulance calls, especially on weekends has been raised by the Select Board. Chief Bennett is working on a stipend and per diem analysis to be better prepared to address the issue. The other issue that could impact the budget is a new state OSHA requirement for employee testing (personal agility and medical testing). Currently, testing is required only for new employees but should testing be required for all employees, there could be significant budget impact. With the new tanker and other improvements to the fleet, repair and maintenance costs are no longer a major concern and the Chief continues to work to improve the fleet.

The Chief presented a level-funded budget for the Ambulance department. Supplies will be purchased as needed and additional suppliers are being sought to lower costs. There have been additional expenses for ambulance repairs and rentals this year and the expense is now leveling out.

There was a brief review of the capital budget items. A new generator is needed at Station 2 to replace a "Korean War vintage" diesel generator that is costly to maintenance and hard to start. Station 2 is our Emergency Command Center. While the generator will be in the capital plan, a grant is being submitted and will probably be granted because of the dire need. There was discussion on water around town and there is money in the budget for an additional tank and hydrant supplies.

For a complete Fire Department statistics and geo mapping, please see the Chief Bennett's presentation on the town website (http://www.town.princeton.ma.us/Pages/PrincetonMA Admin/FD-

## Fire Department and Ambulance Budget Review concluded at 6:40 PM.

## Recap and discussion of WRSD Budget

Wayne Adams and Helga Lyons met with Dan Deedy from WRSD to discuss questions with the Transportation budget. There was a mistake in the calculations. The district is receiving the same state allocation and the bus contract cost is flat, yet we are seeing an increase in the allocation. WRSD will recalculate.

## Review/schedule future meeting dates for February and March

March 20 - Highway Department
No meeting has been scheduled with Monty Tech, yet. Their preliminary budget was distributed just prior to the AC meeting (attached). There is a increase of $\$ 51,995$ for 2 additional students (over the current 76) attending Monty Tech this year. The total assessment is $\$ 385,123$.

Regular AC meeting will be held on February $27^{\text {th }}$.
