CAC Meeting

- 6:34 PM - The meeting was called to order.
- Minutes of May 24, 2017 meeting approved as amended. The amendments clarified items 5 and 6 under new business and corrected a typo.
- Discussion of new business:
 - Darcy reported that the PMLB has clarified the timing of the transfer of pole licenses. The agreement with Verizon calls for a single transfer of licenses when all are complete. This will mean that construction of the new cable TV system may not begin until October as currently scheduled.
 - Darcy reported that no appeals to the award of the Cable TV license were received within the allotted time.
 - Charter has begun mapping the poles in Town.
 - After discussion it was agreed that Darcy will issue an email letter to the BoS reiterating the potential functions of a CAC for future consideration by the IAR/BoS.
- These minutes will be posted in Draft form as no additional meetings of the CAC are scheduled
- Public Comment - none
- 7:12 PM - Meeting was adjourned.
