Discussion was had relative to the ongoing work at Meetinghouse Cemetery. Larry mentioned that the vault which was to store the gravestone remnants has popped up out of the ground over the winter. The second vault is ready to be buried and maybe we could work with the Highway Dept. to get it installed. Larry suggested that we work closely with the Cemetery Commission in choosing the location of the vault and on the proposed restoration of the vault doors. Matt agreed to reach out to the Cemetery Commission.

East Princeton update. Matt reported that the Rte 140 restoration plan was to be presented to Selectboard on Monday 5/1. The plan is 75% complete at this stage. Matt agreed to follow up on this meeting.
