

**Town of Princeton  
Town Plan Implementation Committee  
January 3, 2008**

---

**The meeting was called to order at 7:00 PM. Present were members Leslie Fanger, Michael Latka, Anne Littlefield and Dennis Rindone, absent was Patricia Gates.**

**Minutes:**

The committee unanimously (4-0) accepted the minutes of November 29, 2007.

**Town Plan Brochure:**

A final copy of the town plan brochure was reviewed and approved.

**Town Plan Implementation Schedule:**

The Community Preservation Act was discussed and the consensus was that there is too much activity going on in the community e.g., Bentley, February special town meeting to have the CPA on the annual town meeting warrant for a vote. It was felt it might be a possibility to place the CPA on the 2009 annual town meeting warrant. It was decided to invite Deb Carey and Paul Schlaikjer to the next TPIC meeting to have a broad CPA discussion.

**Summary of Proposed By-law Changes:**

The committee expressed surprise that no one from the Planning Board had contacted them to discuss our willingness to craft some graphics that would enhance the planning Board by-law presentation. The committee contacted Planning Board member Jim LaChance by speakerphone to discuss the presentation. Jim and the committee talked at length about ways to improve the presentation. The committee asked Leslie Fanger to work on graphics and have a draft ready for the "All Boards" meeting on 1/22 where the graphics will become part of the planning board's presentation. Leslie agreed to work on the graphics.

**Future Meeting:**

Next meeting scheduled for Thursday February 7, 2008 at 7 pm in the town hall conference room.

The meeting adjourned at 9:15 pm.

Respectfully Submitted,
