

Town of Princeton
Town Plan Implementation Committee
March 18, 2009

The meeting was called to order at 7:30 PM. Present were members Leslie Fanger, Michael Latka, Anne Littlefield and Henry Beth.

Dennis Rindone

The Committee discussed the death of Dennis Rindone and what a devastating loss this is to the Town and to our Committee. All agreed that he was a central player in our work.

Minutes

Michael said that we do not yet have minutes for the February 23rd meeting of the Committee, which he, Dennis and Anne attended. He will find out if Dennis prepared these minutes and if not will draft them himself. Anne volunteered to do the minutes going forward.

Planning Board By-Law Status

Having attended the March 11th Planning Board meeting, Michael updated the Committee on the status of the three by-law changes currently before the Planning Board (Accessory Apartments, Single Family Conversions, and Home Occupations). Apparently the only one of these the Planning Board expects to bring to the May Annual Town Meeting is the Accessory Apartments by-law. Members of our Committee expressed a number of concerns about the by-law as currently drafted. It has been forwarded to Town Counsel for review and we agreed to communicate with the Planning Board about our concerns in hopes that the Board will forward these to Town Counsel. See attached notes.

The Committee also discussed our concern about why the other two by-laws are not being brought to the Town and agreed to work with the Planning Board in hopes of moving them along, perhaps for a fall Town Meeting.

Next Meeting

The next meeting is scheduled for April 15, 2009 at 7 pm in the Town Hall Annex.

The meeting adjourned at 9:30 pm.

Respectfully Submitted,

Anne Littlefield
