

Princeton Parks & Recreation Committee  
Meeting Minutes

Date: June 8, 2015

Location: Princeton Center

In Attendance: K Burbank, N Fitzgerald, K Heman, K Lyford, S. Shanahan, E Sweeney

Director Update:

Spring programs went well - 1) Science & Technology, 2) Art Program, 3) Tennis

Summer Programs Scheduled - 1) Science & Technology for younger children (P-1st), 2) Art Program at Princeton Center (no charge to P&R), 3) Basketball

Basketball (grades 3-12) - Need volunteers, notification has gone out for volunteers with response requested by June 15 in Landmark, town website, and schools. A Lead Coordinator (adult), as well as high school students are needed. Possible \$10-\$12/hour for high school students. Registration forms are available but stipulated "Pending Coaches/Volunteers". Meeting for basketball volunteers will occur before start of program, K Heman will attend.

Other summer activities not P&R sponsored:

Soccer Camp (Aug 3-7). P&R will bill for field use

Science & Technology Camp run by teachers in August

Drama Camp for middle school students

Adult Soccer - Dave Partridge

Krashes Field Snack Shop

Rota Spring Ice Cream has been approached but required more detailed information. Need to follow same procedures/protocol as last year. Pending Bob Reed approval to pursue further. If Rota Spring or other established business commit, potential opportunity to have facility utilized year round.

Financials:

Expense account - need to draw down by June 30, 2015. Upcoming expenses include fertilizing field, June electric bill, rink liners (?)

Paint for field lines did not require a PO, just invoiced. Paint was delivered.

Football in late August

Running Club road race moved to accommodate football in late August

Discussion regarding liability if injury occurs at school field. Princetown? School? P&R? No money is exchanged, there is no contract, no liability?

New Business:

Member renewals - K Burbank renewing 3 year term, K Lyford moving to 3 year term, B Clark hasn't committed to renewing alternate status

5 - 3 year members, 2 alternates

WalkThru of Fields (See 5/11/15 Director Memo)

Walkthru went well.

Highway department will look into drainage of softball fields later this summer

Discussion of skating rink on the basketball court and issues that may present. Flat surface and lights are a plus. Possible use of mats to protect any exposed court surface or mats/foam to cover court surface prior to water. Basketball court size 84x50, rink size 50x100. Pad light poles for safety.

Princeton Center bocci court will be pursued by Evan Shanahan (Eagle Scout project)

Look into possibility of horseshoe pit at Princeton Center

Council on Aging looking to attract more seniors - Pickle Ball, Fire Dept. Bingo

Next Meeting: August 10, 2015
