To: Mr. John Lebeaux,

Attached, please find a warrant article for the May 2014 Town Meeting.

Respectfully Submitted,

The Residents of Wildwood Acres

This article is a collaborative effort on behalf of several residents in the Wildwood Acre neighborhood. I collected the signatures from the registered voters. If you have questions about our article, please call me, and I can direct you to the appropriate person who can answer it.

Thanks,

*Denise White*

**PROPOSED MAY 2014 WARRANT ARTICLE**

To see if the Town will vote to amend Section II, 2, (B), (c), of the Zoning Bylaws to read, "On the west side of said Highway 31 and beginning at the northerly end of Parcel 33-5 on Map 15 of the Assessors Maps and continuing southerly a distance of 1,014 feet, a strip of land 700 feet in depth, and thence southerly approximately 459 feet to Jillian Drive, a strip of land 410 feet in depth, and thence continuing southerly a distance of 310 feet, a strip of land 330 feet in depth to the southern boundary of Parcel 33-1; and on the east side of Highway 31 beginning at the northern boundary of Parcel 43-1 on Map 15, extending southerly to the southern boundary of Parcel 44-1R on Map 15, a strip 300 feet in depth," and to amend the Zoning Map, or take any other action relative thereto.

*Explanation: Following the Master Plan this change will reduce the current business zone on Worcester Road to approximately Post Office Place and north. It will encourage future business development off of Worcester Road and reduce the possibility of strip mall development along Worcester Road. This will not affect existing or future home occupations south of Post Office Place. There are no businesses south of Post Office Place. This southern part of the current business zone is fully developed with residential homes.*
