A. Fiandaca

1. Minutes of 6-14-12 meeting accepted with minor changes.
2. Letter to be sent to East Princeton Village Residents RE: November 28, 2012 meeting with *GRI* Engineering regarding the route 140 project.

meeting continued at town hall
3. Road plan for 2013 to be presented to the select board December 3, 2012.
 - a. let the board be aware of the cost of the first stage of engineering of the route 140 project \$185,000
 - b. total cost of project will be approximately \$3 million
4. Road advisory committee will be going to May 2013 town meeting with article request of \$225,000 to be built into the highway budget. Another article request will be for \$260,000 for the final engineering on the route 140 project.
5. L. Greene set the scenario for future road projects with \$265,000 from the town. He also showed what roads could be constructed and improved with only \$175,000 from the town.
6. Discussion of strategies to get East Princeton Village residents to attend May 2013 town meeting to support article for route 140 engineering e.g. phone, email, letters.

Meeting adjourned
7:50 pm
Respectfully submitted,

T. Thompson
