1. Minutes of 10-4-18 approved.
2. Look over municipal contract between Princeton and Mass DOT. J.H. Lynch and sons contractor for 140 village project - cost \$6,561,398.90
 - a. Non participatory costs of the project, those that state and federal government will not cover, town pays. e.g. two driveways at cost of \$30,000
 - b. Question whether G. Lyons will be town liason with ongoing construction work in the village. Will he be project manager while doing other town highway work?
 - c. Intend to set up meeting with town administrator, G. Lyons, W. Holder, and L. Greene Sr. to discuss issues involving 140 Project. e.g. timetable especially bridge construction on 140. Important that town does not have 2 bridges closed at the same time - the highway barn bridge.
