

Town  
Clerk

10 - 4 - 2018

RAC

Attendees:

W. Holder  
T. Thompson  
J. Bellucci  
G. Lyons  
L. Greene Jr.

Residents in attendance:

S. McCollum  
G. Ashley  
R. Ashley

7 PM hearing continued

1. WDA L. Greene Jr. (engineer) did a site walk to address concerns of residents' tree runoff, other access to properties pole replacements
  - a. Resident R. Ashley - trees to be marked and replaced. Speed concerns - a pull off for police and highway vehicles
  - b. Resident S. McCollum concerns safety, road needs to be fixed. Last 20 years, more houses means more traffic.

7:12 hearing closed

7:14 regular RAC meeting

1. Minutes 8 - 1 - 18 accepted as written
2. L. Greene Jr. discusses Mirick Road culvert almost ready to finalize plans. Timeline goal is December to get bids out.
  - a. Calamint Hill Road North southern section goal is get trees down and meet with Conservation Commission. Bids are out. December 2018. It takes about a month to get all paper work together. Hopefully, spring 2019, construction begins.
3. Highway Barn Bridge construction schedule 6-21-19 through 10-10-19.
4. North section of Calamint Hill Road North survey, 4600' northern section to cost \$9600 - \$12500. Engage survey this fall of 2018 at lower cost. Ask engineering north section to start 2018.

7:30 PM L. Greene Jr. leaves

7:37 PM Greene Sr. arrives to meeting

5. Bill Holder asks how to communicate to residents when planning road construction survey, road work tree hearing construction dates letters to road residents with schedule dates funding issues weather issues

6. Pictures sent by B. Laughlin of truck on bridge labeled 3 ton overweight

7. Bid Route 140 opened \$6,500,000 when 140 bridge to be closed unknown date  
Bridge at highway barn closed June 2019  
Two bridges closed at the same time?

8. G. Lyons update on Ball Hill Road culvert. No date on start. Engineering done, waiting on grant monies.

Adjourned 8:04 PM

Respectfully submitted,

T. Thompson
