1. Minutes of the Previous Meeting
None

2. General Business

The Board discussed the ongoing cyclical inspections and it was noted that multi-families are selling very well and that there were more condo sales than single family sales this year.

3. New Business

There is a lot of new construction going on in the city.

Deb Jackson noted that there was only 1 ATB case this year.

2014 values were discussed.

The Board approved the release of excess overlay capacity to the general fund as follows:

2009: \$45,000
2010: \$50,000
2011: \$200,000
2012: \$200,000
2013: \$100,000
