  - This will connect to Cub Pond and Punch Pond.
- Use a GPS to map the trail and construct a simple kiosk displaying the map.

-  TOWN-OWNED PROPERTY
-  TRAILS
-  <sup>1</sup> SIGAT

Will include a sign like this:

# Foot Bridges

Cub Pond

A photograph of a forest trail. The trail is a narrow path covered in brown leaves and some moss, winding through a dense forest of tall, thin trees. Sunlight filters through the canopy, creating dappled light on the ground. The text "Cub pond existing trail" is overlaid in orange in the center of the image.

# Parking

- Will use space available in the cul de sac.
- Won't include a sign at the very beginning of the trail (to avoid complications with the easement and neighboring citizens).
  - Sign will instead be at the trail junction.
- People can legally park there (and are currently doing so) however I will contact abutters as a precaution and considerate gesture.
