Hiring

Ms. Blaisdell stated that Arthur Genualdo, Public Works Director, informed her that Troy Palmer and Fran Bergman submitted letters of resignation leaving two positions open at the transfer Station with the possibility of a third. Mr. Genualdo has interviewed several individuals and would like to hire John Matte and Kimberly Cunningham to fill the open positions.

Mr. Genualdo would also like to hire an on call "floater" to be used in the event someone is unable to work. The reason for this position is because a certain number of people have to work the Transfer Station. There would be no additional money required because this person would be filling in for the individual that did not work. Selectwoman asked if these are full time positions. Ms. Blaisdell stated all positions at the Transfer Station are part time (18 hours per week) with no benefits. The rate of pay is \$9/hour to start and after they are certified they would receive a dollar increase in pay.

MOTION: Selectman Tombarello moved to hire John Matte at a starting rate of \$9/hour to work at the Transfer Station. Selectman Brown seconded. Motion passed unanimously.

MOTION: Selectman Tombarello moved to hire Kimberly Cunningham at a starting rate of \$9/hour to work at the Transfer Station. Selectman Brown seconded. Motion passed unanimously.

MOTION: Selectman Tombarello moved to allow Arthur Genualdo, Public Works Director, to hire an on call floater employee at the Transfer Station at a rate of \$9/hour
