62 of the inspection fees being raised. Selectman Goldman asked about why there is an
63 increase in the Payroll line or next year when this year’s expenditures are below budget.

64 Bob stated it is the increase in the fees and the anticipation of the Lewis Builders
65 apartments. Selectman Goldman asked the Board if they are comfortable approving a
66 budget that has a proposed increase when it hasn’t been discussed by the Board.

120 the money is used for and Cheryl said there are 3 trustees that receive a small stipend and
121 there was \$50.00 in the supply line.

122 Selectman Goldman asked why they are declining their stipend this year and Cheryl said
123 that she didn't know. Selectman Goldman fees strongly that the stipend should be kept in
124 the budget, so they don't end up going backwards in years to come. He also recommended
125 to increase the budget to \$450.00 so they each receive \$150.00.

138

139 Selectman Goldman asked the Board to ask each of the candidates their prepared
140 questions.

141

142 Sheila Lowes is here to discuss her letter of interest for the open Sandown seat on the TRSB
143 Sheila stated that she feels she is a good candidate for this position as she has been in town
144 for 22 years and has raised her 2 children in the district. She ran for Budget Committee this
145 past March and is looking to serve the district for the better of Sandown. Sheila said she
146 was on the Sandown Consolidation Committee, worked well with Lee Dube on this
147 committee, while having the best interest of the children in mind at all times. She
148 reminded the Board that while she was on this committee she had no children in the
149 district at this level. Selectman Hudgins asked Sheila how many hours she is able dedicate
150 to this position and Sheila said she is retired and has a lot of time. Selectman Cleveland
151 asked Sheila if she has any financial ties to the district and Sheila said no. Selectman
152 Cleveland also asked Sheila why she wants this position now and why didn't she run back
153 in March. Sheila said she ran for Budget Committee at the School District level and came in
154 second. She said she feels this would be a good way for her to get her feet wet and would
155 plan on running again in March. She is interested in serving the town at the district level.
156 Selectman Goldman asked Sheila what could have been done differently during the
157 withdrawal process that took place a few years ago and Sheila said there were a lot of
158 mistakes and feels the town is extremely divided. She stated she was not in favor of
159 withdrawing from the district and didn't understand how they would be able to finance the
160 project and continues to wonder how they got there. She feels people need to educate
161 themselves on how their money is spent. Selectman Brown asked Sheila how she feels
162 about having a good working relationship with the superintendent and Sheila it is
163 imperative to have this. She said you need to look at all situations and understand what is
164 best for the children in the district. Sheila feels that all board members should act
165 professionally and act like adults and again stressed the biggest concern should be for the
166 children's education. Selectman Cleveland mentioned that a School Board member wanted
167 information from the SAU and was charged to receive it and asked Sheila how she would
168 overcome something like this. Sheila said the individual was reimbursed for their payment
169 but does not feel they should have paid for a document they are responsible for signing.
170 Selectman Cleveland asked Sheila what she thought her biggest challenge would be and
171 what the district's biggest asset is. Sheila said that the School Board needs to improve on
172 their communication with one another, however there are a lot of smart people on the
173 Board and the district needs to capitalize on their knowledge. Selectman Goldman said the
174 Board received a letter on Sheila's behalf being recommended by Lee Dube, the other

175 Sandown School Board Representative. Sheila thanks the Board for their time and hopes
176 they would consider her for this position.

177
178 Cindy Bucu came to the table to speak with the Board. Cindy stated she feels she is
179 qualified for this position as she has been a selectman in town for 4 years and was on the
180 District CIP committee, which was a positive experience. She also served on the
181 withdrawal study and has a greater understanding of the operation of the district since
182 then. Selectman Hudgins asked how much time she'd have to commit to this position and
183 Cindy said she currently isn't serving on any other committees at this time and has served
184 on multiple committees at once in the past, so she feels she has the time it would take to be
185 on the School Board. Selectman Brown asked if she feels it is important to have a good
186 working relationship with the superintendent and how she will make this happen since in
187 the past she hasn't always had a great relationship with him. Cindy said she would always
188 act professional and positive and isn't interested in bringing more tension to the
189 Committee. She said her focus would be on what is best for the children in the district.
190 Selectman Cleveland asked Cindy why now and Cindy said she ran for Selectman at that
191 time and Lee Dube was running for School Board and didn't feel it was necessary to run
192 against him as she agrees with his views. Selectman Cleveland asked Cindy if she has any
193 financial ties to the district and she said she does not. Selectman Goldman asked Cindy if
194 she is planning to run in March and Cindy said yes. Selectman Goldman then asked Cindy
195 what could have been done differently during the withdrawal study and Cindy said
196 educating the public is extremely important. She said she felt like there was a lot of
197 perception of her being in favor of withdrawing and she was just trying to gather the
198 information to be able to present it so that an informative decision could be made. She said
199 not all the information was gathered. Selectman Cleveland asked Cindy what she thinks the
200 biggest challenge and opportunity are and Cindy said the biggest challenge is getting a
201 cohesive Board with the kid's best interest in mind. She feels like she could bring a
202 different perspective with her background and experience being on the different
203 committees. She feels the district needs to support the teachers as well and not the
204 electronic devices for the students. Cindy feels like the resources should be spent on the
205 children and teachers. Cindy also said the best opportunity the district has is to look at
206 what they do well and continue to build on that by providing developmental programs for
207 the teachers. Cindy asked the Board to consider her for this position as she really wants to
208 make a difference in the community like she has in the past.

209 Joe Morris came to the table to speak to the Board. Joe said he's lived in town for the past
210 30 years and has raised 2 kids in the district. He has served as selectman in the town and
211 has also served on the School Board in the past. When he became aware of the open
212 position he came running. Selectman Hudgins asked Joe how much time he is able to
213 commit to this and Joe said as much as he needs. Selectman Brown asked Joe what he
214 thought of the School Board when he served on it and he said he felt like it was an insane
215 asylum and feels like not much has changed to date. Joe said the Board needs levity and
216 common sense and wants to focus on the future of the district and would run again in
217 March. Selectman Brown asked Joe what he follows regarding the School Board meetings
218 and Joe said he doesn't watch the meetings because he's constantly becomes frustrated. He
219 does think all the members need to listen to both sides of the issues prior to making up
220 their minds. He said the members need to be educated. Selectman Cleveland asked Joe if

221 he has any financial ties to the district and Joe said yes, his wife works as a lunch lady at the
222 Middle School. Selectman Cleveland asked Joe why now? Joe said he ran last year and was
223 defeated so he sat a year out to observe. He said he just recently found out about the
224 vacancy and would like to serve the remainder of the year. He feels the biggest challenge is
225 to get the Board to agree on anything. He feels the Board needs to do more homework to
226 better understand the issues at hand. Selectman Cleveland asked how he would change
227 this, and Joe said you can't change the system unless you change the people. He said he
228 would vote for those that want to do the job and that can communicate with others. Joe
229 said he'd like to see the district keep moving forward and if that means putting chrome
230 books in the children's hands, so they have a different way of learning then he is for it.
231 Selectman Goldman asked Joe's thoughts on what could have been done better during the
232 withdrawal process. Joe said people were followers without doing their homework and
233 mistakes were made on both sides and people shouldn't take other's opinions as their own,
234 they should do the research themselves. Joe thanked the Board for their time.

235
236 Selectman Goldman said he would like to go into non-public session and would like to
237 public to know it is not for any one of the 3 potential candidates that are hear tonight. He
238 said it is related to this issue but not regarding these 3 potential candidates.

239
240 **Motion by** Selectman Goldman to go into non-public session under RSA 91A:3 II (c)
241 reputation.

242 Selectman Brown asked if there is a plan to discuss the candidates and Selectman Goldman
243 said he'd like to discuss the candidates as soon as they come out of the non-public session.
244 He said he does not want to deliberate this in non-public.

245 **Seconded by** Selectman Brown.

246 *Roll Call*, Selectman Hudgins – yes, Selectman Goldman – yes, Selectman Cleveland – yes
247 and Selectman Brown – yes.

248 **Motion passes unanimously**

249

250

251 **Motion by** Selectman Goldman to seal these non-public minutes.

252 **Seconded by** Selectman Brown.

253 **In Favor**, Selectman Cleveland, Selectman Cleveland, Selectman Brown and Selectman
254 Hudgins.

255 **Motion passes unanimously**

256

257 Selectman Goldman asked if any members of the public would like to come up and speak on
258 behalf of any of the candidates. Lee Dube, School Board Member, came to the table and
259 asked the Board to focus on the role and responsibility of the School Board, which is to
260 establish policy by which the administration uses to administer the business of the district.
261 He said they need someone that can focus on the children while being diplomatic and
262 tactful at the same time. He said there are a lot of clashing personalities and they need
263 someone that can work in a spirit of collaboration.

264

265 Selectman Brown said they are a 4-member board this evening and wants the opinion of
266 the other Board members to see if they would like to vote on these candidates this evening

267 or wait until there is a full board. Selectman Cleveland said it is ideal to have a full board
268 but the next time the board meets is in 2 weeks and there are 2 important meetings this
269 week. Selectman Cleveland feels like they should move ahead, and Selectman Goldman
270 agrees. He did offer Selectman Tombarello the opportunity to call in for this discussion, but
271 he was not able to do so. Selectman Goldman said if there wasn't a holiday next week he
272 would hold off on the decision until next week but because of the 2 meetings coming up
273 this week he feels the decision should be made this evening. Selectman Hudgins stated that
274 Selectman Tombarello knows the severity of the meeting and feels the Board should move
275 forward with a decision tonight.

276 Selectman Cleveland thanked all 3 candidates for coming in and speaking with the Board
277 this evening.

278 Selectman Brown would like to be sure the Board has an opportunity to discuss all the
279 candidates and doesn't want a motion to be made and passed and not have the opportunity
280 to discuss the other candidates.

281 Selectman Goldman asked the Board if they are okay with discussing the candidates in the
282 order that they came in tonight. They will discuss the merits of all 3 candidates without
283 any motions being made.

284 Selectman Goldman said they will discuss Sheila first. He said that he had the opportunity
285 to work with Sheila on the Consolidation study and she has been engaged since then. He
286 liked the fact that she ran for Budget Committee this year and understands why she didn't
287 run for School Board against Lee Dube, because she agrees with his views. He said that she
288 always puts the children first. Selectman Brown said that Sheila presented herself well and
289 sounds like she is dedicated to the children, however he is having a hard time separating
290 himself from the social media comments. Selectman Hudgins said he has more of a
291 relationship with Sheila than he has with the other 2 candidates and had a different feeling
292 of her when he spoke to her over the phone opposed to reading comments on social media.
293 He said it is important for the public to watch and understand where she stands on the
294 school issues and where she stands with the children in the district. Selectman Cleveland
295 said he is impressed with all of Sheila's volunteer positions over the past several years but
296 does feel like all 3 candidates presented themselves well this evening. He agrees that
297 communication will be a challenge for anyone that takes this position.

298 The Board discussed Cindy Buco next and Selectman Cleveland said he was fortunate to
299 have participated with Cindy in the withdrawal study. He doesn't feel that what happened
300 during that time should have an impact on whether she is appointed to this position or not.
301 He said that Cindy was doing what the voters of the town wanted and tried to do it well in
302 spite of the obstacles that she had to overcome. He also said she has always been a good
303 representative of the town and feels she is a qualified candidate for this position.

304 Selectman Hudgins said that Cindy presented herself well this evening and hopes that the
305 topic of withdrawal doesn't come up again. Selectman Goldman agrees that Cindy
306 presented herself well and Selectman Brown feels that her letter to the Board was also very
307 professional. He also stated there are 3 good candidates in front of them, but he can't get
308 his mind off what he sees on social media which is making him have second thoughts.

309 The Board discussed Joe Morris next and Selectman Brown said he'd known Joe for many
310 years and is a professional businessman and is the only one with experience of being on the
311 School Board and a member of the BOS. He stated Joe is a hard worker and has donated his
312 time often to the community and school district and feels that Joe is the only candidate that

313 doesn't have a dog in the fight. He feels Joe would be able to go into this position without
314 any opinion or preconceived notions. Selectman Cleveland said Joe spoke from the heart,
315 which he is appreciated however, he is concerned that Joe's wife works for the district but,
316 feels that he is qualified for the position. Selectman Goldman said he has gotten to know
317 Joe over the past few years and has appreciated his conversations. He feels they are faced
318 with 3 good candidates but feels the Board should vote for the candidate that best fits the
319 position today. Selectman Hudgins feels that Joe has a good attitude and appreciates his
320 approach to tackle the issues at the district level.

321 Selectman Goldman asked the Board if anyone would like to make a motion.

322 **Motion by** Selectman Brown to appoint Joe Morris to the open School Board position for
323 the remainder of the term.

324 **Seconded by** Selectman Cleveland for discussion.

325 Selectman Brown restate that he respects Joe as a professional and a businessman and
326 respects him for the time that he has given to the School Board and Budget Committee. He
327 said he respects Joe for not using social media negatively and feels like he would go into
328 this with an open mind and would be professional on all levels. Selectman Cleveland asked
329 Joe if he would have the time and Joe said he has owned a restaurant for 25 years and has 4
330 solid managers that have been with him for that length of time, so time is not an issue for
331 him.

332 Selectman Cleveland asked what the procedure would be if there was another candidate
333 that a Board member would be interested in and Selectman Goldman said there is currently
334 a motion on the floor that needs to be voted on. Once all the discussion has taken place he
335 will call for a vote and if you are in favor of this candidate then you would vote in favor of
336 the motion. He said if the motion passes than Joe would be appointed to the position,
337 however if the motion fails the Board has the opportunity to make another motion on
338 another candidate and discuss that as well. He said if all motions fail or are tied he will
339 entertain further brief discussion to see of the Board can agree on a candidate. If not, they
340 will have no choice but to postpone the discussion for 2 weeks until the next meeting when
341 they have a full Board. Selectman Brown pointed out that it is okay for a selectman to vote
342 in favor of more than one candidate, and Selectman Goldman agreed but said that if the
343 Board voted in favor of Joe to be appointed during this motion, there would be no need to
344 go any further because Joe would have won the appointment.

345 **In Favor,** Selectman Brown

346 **Opposed,** Selectman Goldman and Selectman Hudgins

347 **Abstain** Selectman Cleveland

348 **Motion failed 1-2-1**

349

350 **Motion by** Selectman Cleveland to appoint Cynthia Buco to the open School Board position
351 for the remainder of the term.

352 **Seconded by** Selectman Brown.

353 Selectman Cleveland stated other than the withdrawal situation he feels that Cindy has
354 served the town well and feels she would be a good choice for this position. He said he was
355 with her during the withdrawal study and feels that Cindy was very fair throughout the
356 entire process. He said Facebook comments concern him with anyone that would be in a
357 leadership position but feels that Cindy would be a good candidate for this position.

358 **In Favor,** Selectman Cleveland

359 **Opposed**, Selectman Hudgins and Selectman Brown

360 **Abstain**, Selectman Goldman

361 **Motion failed 1-2-1**

362 **Motion by** Selectman Hudgins to appoint Sheila Lowes to the open School Board position
363 for the remainder of the term.

364 **Seconded by** Selectman Brown.

365 Selectman Hudgins said when he received Sheila's email he was excited and doesn't think
366 the public knows how fortunate they are that she stepped up to do this. She is very
367 involved and knows what is going on at the District level and he has no doubt that she will
368 work well with all the School Board members. He feels the Facebook comments should be
369 disregarded at this point as they don't paint a true picture of the candidates and thinks
370 Sheila has the time to dedicate to this task. Selectman Cleveland mentioned that our
371 current School Board member is present here tonight as well as provided a letter of
372 recommendation to the BOS in support of Sheila. Selectman Goldman feels that all 3
373 candidates are the right candidates for different environments but feels that Sheila is the
374 right choice at this time. He also agrees that she is supported by the current School Board
375 member and that means a lot. Sheila has been consistently involved at the District level for
376 a number of years and feels she will serve the town well within the District. He feels she
377 will be able to hit the ground running and is in tuned at this point more than the other
378 candidates at this time.

379 **In Favor** Selectman Goldman, Selectman Hudgins and Selectman Cleveland

380 **Abstain**, Selectman Brown

381 **Motion passes 3-0-1**

382

383 Selectman Brown commends all the candidates for coming in and sitting through this as
384 they were talked about and deliberated about in front of them. He understands this is a
385 tough position for anyone to be in and thanked them for their time. Selectman Goldman
386 stated that if there were only one candidate running there would be no reservation to
387 appoint them to this position.

388

389 **Motion by** Selectman Brown to accept the non-public minutes of Monday, September 17,
390 2018 as amended.

391 **Seconded by** Selectman Hudgins.

392 **In Favor**, Selectman Brown, Selectman Cleveland, Selectman Goldman and Selectman
393 Hudgins.

394 **Motion passes unanimously**

395

396

397 **NEW BUSINESS**

398 **Discussion regarding sale of town owned property located at 10 & 12 Birch Drive**

399 Lynne said there is a purchase & sale agreement in the packet and said this is an
400 opportunity to let the public know of this potential purchase. Selectman Goldman
401 announced that the BOS have signed a purchase and sale agreement for the property
402 located at 10 Birch Drive, Tax Map 28 Lot 057 and 12 Birch Drive, Tax Map 28 Lot 058 for
403 the sum of \$30,000.00. He stated this will go before the Planning Board and the
404 Conservation Commission and then there will be 2 public hearings scheduled during a

405 future selectman's meeting. He said if there is anyone that does not want the sale to go
406 through they need to sign a petition with 50 registered voters and present it to the BOS,
407 which will automatically stope the sale of this property and then it will become a warrant
408 article in March.

409 **Review of notice from website provider**

410 Lynne said she's been receiving emails from Virtual Town Hall for the past few years
411 offering changes and updates to the website. Lynne felt there wasn't a need to update the
412 website. She said a few months ago Civic Plus purchased Virtual Town Hall and she
413 recently received an email stating they will not longer manage the existing website as it is
414 at its useful end of life effective April 30, 2019. She said they can create a new town
415 website using a template for \$3,000.00 with no increase to the annual maintenance and can
416 be spread over 3 years. There is also an option of creating a custom design in the amount
417 of \$4,500.00 with no increase to the annual maintenance and this can also be spread out
418 over 3 years. Lynne said she can have a representative come and do a presentation for the
419 Board. Selectman Goldman asked what happens if the budget fails and also said although
420 they do a good job they are very expensive. Lynne said they have some time but wanted to
421 bring it to the Board's attention. Selectman Cleveland suggested having them come in to do
