

SANDOWN LOCAL ENERGY COMMISSION

PUBLIC MEETING

May 9, 2011

Mr. Bruce Cleveland, Chairman opened the Public Session at approximately 6:05 P. M.

Members present: Mr. Bruce Cleveland, Mr. Butler, Mr. Mark Traeger

Members absent: Mr. Roger Barczak

Selectmen Liaison: Mr. Tombarello arrived at 7:30 PM.

Members of the Public Present: Ryan Patterson

Motion made by Mr. Butler to accept the meeting minutes from 4/18/11 as written.
Seconded by Mr. Traeger. Motion passed unanimously.

The proposed Master Plan chapter was reviewed by committee.

Motion made by Mr. Butler to accept the LEC Master Plan Chapter , Seconded by Mr. Tombarello. Passed unanimously. The chapter will be sent to the Planning Board and the Master Plan Sub-Committee.

Motion made by Mr. Traeger to move the LEC meetings for the 2nd Monday of the month at 5:45. Seconded by Mr. Tombarello. Motion passed unanimously.

There was discussion on the lighting at transfer station. Mr. Cleveland built an “as-built” document outlining the structures and lights at the transfer station. The “as-built was sent to a lighting engineer to get some recommendations on the number and size of lights. New poles can be installed at \$800.00 per pole. The LEC believes three poles will be needed.

Discussion on bringing energy saving vendors to the Sandown Old Home Days. Geothermal, Insulation, Auditors, Solar, Wind are all sectors the public might like represented at Old Home Days.

Mr. Butler made a motion to close the meeting at approximately 7:00 P. M.
Mr. Traeger seconded the motion.

Discussion: None

Vote: Unanimous'

Motion passed.

Respectively submitted,

Mark Traeger

Vice Chairman
