46 **Budget**

47

48 After the calculations above there is still \$1061.00 left in the budget for 2012. These
49 calculations will be verified and a final budget amount will be presented at the next
50 meeting. This money will be used to hopefully secure amusement rides for next year.
51 Kara Johnston offered to take on that project.

52

53 It was noted that revenue increased over last year and the breakdown is as follows:

54

55 \$190.00 to the Sandown Food Pantry – from the 50/50 raffle at the Friday night dance

56 \$771.00 to the general fund – from admission fees for the bouncy houses etc.

57 \$840.00 to the general fund – from vendor booth rentals

58

59

60 **Warrant Article for 2013**

61

62 After a brief discussion, the committee decided to ask the voters for \$6,000. The
63 committee felt that with the likelihood of having to rent bounce houses and other rides
64 and to expand the parade, the additional money would be justified.

65

66 **Committee Input from this year's event**

67

68 An email was read from Selectman Liaison Tom Tombarello that commended the
69 committee on their hard work and successful event.

70

71 Overall the committee felt the event was successful even after the problems that were
72 encountered during the planning process.

73

74 Suggestions were made to contact an amusement company early on to see if we can
75 secure them for 2013.

76

77 A suggestion was made to stamp hands on attendees so they can ride for one price and
78 have several monitors in that area to watch for safety issues and crowd control.

79

80 A suggestion as made to have a scavenger hunt next year to find out facts about the town.

81

82 The committee agreed to have Jimmy East and the Soldiers of Soul perform again next
83 year at the Friday night dance.

84

85 A suggestion was made to be sure the jail and bail is taken on by a group for next year.

86

87 Also, the committee expressed the need for more volunteers on the committee and for the
88 day itself.

89

90 The meeting adjourned at 7:58 pm.
