57 There was concern that parking on Main Street may take place even with the signs since  
58 there is not enough manpower to prevent it. This will make viewing the parade difficult  
59 and may pose a safety issue.

60

61 Arthur Genualdo said he is ready and has staff available for the day of the event. Trash  
62 will be picked up, the Recyclemobile is ready to be placed on the field and he has the  
63 fencing for the cow plop bingo event. He will have the dragsters ready but they will be  
64 stationary and not be allowed to run up the roadway due to insurance restrictions and  
65 Selectmen direction.
