Mrs. Brown presented bills to be signed:

St. Patrick's Day event sponsored by the Salem Council on Aging. Mrs. Brown took the registrations and the money, and then it is sent to them.

Facility rental fees collected in the first quarter totaled \$800. The last event is Saturday, so Mrs. Brown will hold the paperwork until after that date.

Mrs. Brown noted that the budget line for propane is \$1400 (an increase over 2014 of \$400). The current expense to date is \$1038 (for deliveries January 2, January 22, and March 5, for a total of 523 gallons).

Mr. Blaisdell noted that TYSL are putting money into field improvement, and would like the rates to remain the same this year. The Commission agreed to keep the same rates, with the Saturday rental at \$35.00 per session.

Mrs. Brown reported on the wireless router installation. RMON (the IT support for Sandown) picked up our modem/wi-fi access... to program. Today they returned, and explained that, having the installation in the basement, it would probably be slow. They are going to install an access point in her office, probably next week, which should improve the situation.

Mrs. Brown would like to establish a better system for weekend coverage for building rentals. She is not always available to be on-call for potential problems such as card access problems.

The next scheduled recreation meeting would be April 1, but Mrs. Brown did not feel that she would have anything to discuss. Mr. Blaisdell mentioned that Baseball and/or Soccer may have something to report. Mrs. Brown will check with them.

The minutes of the March 4, 2015, meeting were reviewed.

Mr. Blaisdell made a motion to approve the minutes.

Mr. Treanor seconded the motion.

There was no discussion

The motion was passed, unanimously.

The meeting adjourned at 7:40 p.m.

Respectfully submitted,

Veronica Utman
