Agenda Topic-Meeting with Board of Selectmen re Complaint

Nelson received notice of a complaint from a woman from Fox Den who claimed to have had her ride privileges revoked. Nelson interviewed complainant at Fox Den and learned that she told the manager of Fox Den to cancel the three rides she missed. Nelson spoke with the manager and she admitted to forgetting to cancel said ride reservations. Due to manager's repeated mistakes, Nelson reinstated complainant's ride privileges and asked her to notify the Sandown Police when she needed to cancel, rather than the Fox Den manager. Nelson then reported this information to the Board of Selectmen who agreed with his action to reinstate ride privileges, and matter was thereby closed.

Agenda Topic-Old Homes Day

Nelson reported status of Silent Auction and Raffle Drawing Items and asked for assistance in contacting final potential donors. Jim volunteered to contact remaining donors for additional items to add to Silent Auction and Raffle Drawing. Nelson confirmed that a space for Old Homes Day has been reserved.
