Guest, Chief Joseph Gordon

Chief Gordon visited the SSATP meeting. He first applauded the services the Sandown Senior Affairs Transportation Program provides for elderly residents in town. However, some concern has arisen regarding potential abuse of the program. Chief Gordon believes the SSATP procedures work very well, but suggested a change to the form the police staff use when taking in ride requests to help avoid any future potential abuses. An amended form will be drafted and circulated to the SSATP board members and Chief Gordon for review.
