Trips and Mile: January rides - 32 round trips; 545 miles
 February rides - 28 round trips; 360 miles

Open Discussion:

Drivers:

- New driver to begin volunteering; his name is Jim Anderson
- Paul and Sue are expected back from Florida in early April, this will assist with scheduling rides
- The committee had posted an advertisement to the sign outside of Town Hall
- The committee also added articles in Carriage Town News and Tri-Town News

Riders:

- We will be offering rides to a current participant whose son is in the hospital
- Received a call from Northeast Rehab inquiring about rides for a patient; but the committee determined that the home situation would not make this feasible
- Fox Den has a new resident that would like to be considered for rides; however the current lack of drivers makes this difficult to take on
- Another town resident interested in rides will not be accommodated as she requests rides without sufficient notice; this is exceptionally challenging with the current lack of drivers

Other Business:

- Consider Old Home Days as an opportunity to raise awareness of the program and recruit new drivers; may offer a raffle to those that sign up as drivers
