

Minutes of the Trustees of the Trust Funds Meeting
Thursday, April 6, 2017 at 7:00pm

The meeting was held at the Bassett home.

Present were Dana Wells, Rose Cleveland and Arlene Bassett.

The purpose of this meeting was to welcome Rose and to elect officers. Dana will take on the roll of chairman, Rose will be the treasurer and Arlene will act as secretary.

Arlene will email this information to Michelle Short who needs it for a report to the state.

As we need to get Rose's signature on file, at the bank, we decided to meet at Santander Bank in Plaistow on Thursday, April 20th at 5:30 to get that done.

Dana reported that he has received all of the funds from the town and he has deposited them at Santander.

Dana will call another meeting later on.

Thursday, April 20th 2017

Dana, Rose and Arlene met at Santander Bank at 5:30pm. There will be an individual paper for each account, that we will need to sign. We only signed one for the moment in order to get Rose's signature on file. The bank will have the rest of them ready in a day or two. They will email Dana who will let us know when they are ready. We can each go to the bank in our own time to finish signing.
