EXECUTIVE BOARD MEETING

April 26, 2010 @ 3:30 pm

Present: Christine Allen, Vicki Kinniburgh, Lynn Neves, Rene Andrews, Anne Libby, Anita Gendron & Director Bernadette Huck.

Absent: Josephine Veader

The board minutes for March were approved with a motion to delete the second paragraph under New Business regarding televising of the board minutes. They also voted to let the record show that all candidates in the future be invited to attend the men's breakfast.

Old Business:

The Board wants a union representative to attend one of the board meetings regarding the staff job descriptions. Bernie said that the Town has hired a professional to re-do all employees' job descriptions.

New Business:

Chris Allen stated that any senior or disabled person having trouble reading their water meter should call the Seekonk Water District and someone would come out to help them. The Board listened to Dave Bowden who discussed the senior center project and the proposed location on Peck St. They agreed that this location made sense and it would give Seekonk a town center, which would include the Town Hall, Public Safety Complex and the Animal Shelter. Dave Bowden also mentioned that a modular unit was a good option for the building.

Audience members were asked if they had anything to say regarding the senior center. Several people did have comments and the board also urged everyone to attend the Selectmen's meetings and let their feelings be known.

Bernie mentioned about the possibility of applying for a Community Development Block Grant up to 1 million dollars.

The Department Head Report -ó FEMA and Samaritan's Purse helped our community with the flood cleanup and will be available until 5/30.
