RE: NOTICE OF INTENT AND PLANS DATED: May 1, 1978

Pursuant to the authority of G.L. c.131 § 40, the Seekonk Conservation Commission has reviewed your notice of intent and plans describing the proposed activity and its effect on the environment. The said Commission has determined the following conditions are necessary to protect the public's environmental interest, and all work must be performed in strict compliance therewith.

CONDITIONS

1. Failure to comply with all conditions stated herein, and with all related statutes and other regulatory measures, shall be deemed cause to revoke or modify this Order.
2. The provisions of G.L. cc.91 and 111, and any regulations adopted thereunder, must be fully complied with.
3. This Order does not grant any property rights or any exclusive privileges; it does not authorize any injury to private property or invasion of private rights.
4. This Order does not relieve any person of the necessity of complying with all other applicable federal, state, or local statutes, ordinances, by-laws and/or regulations.
5. The work authorized hereunder shall be completed within one (1) year from the date of the Order of Conditions.
6. Any fill used in connection with this project shall be clean fill containing no trash, refuse, rubbish or debris, including, without limiting the generality, of the foregoing, lumber, bricks, plaster, wire, lath, paper, cardboard, pipe, tires, ashes, refrigerators, motor vehicles or parts of any of the foregoing, and subject to the approval of the Commission.
7. Prior to commencement of work hereunder, 60 days must have elapsed from the date of filing of the Notice of Intent.
8. This Order must be recorded and/or registered in the appropriate registry of deeds in the name of the owner of the property upon which the work is to be performed.
9. There will be no discharge of liquid waste under this permit.

CONDITIONS CONTINUED

10. The owner shall assume all responsibility for the protection of abutting property and for the prevention of property damage adjacent to the site. The owner shall indemnify and save harmless the Town of Seekonk, its officers and agents against all claims arising out of injury or damage to persons or property due to any act or acts of the property owner, his agents or assigns.
11. To insure compliance with the plans, the owner must notify the Conservation Commission prior to commencement of work and upon completion of the project.
12. No work proposed in any Notice of Intention shall be undertaken until the final order with respect to such work has been recorded in the Registry of Deeds for the district in which the land is located.
13. The owner shall take proper precaution to avoid siltation of the river during construction.
14. All areas disturbed by construction shall be properly maintained until vegetation is restored to its original condition.
