City/Town: Seekonk
Applicant: Robert Saleeba

Form 2

*Commonwealth
of Massachusetts*

*Department of Defense
United State of America*

DETERMINATION OF APPLICABILITY

**Massachusetts Wetlands Protection Act, G. L. c. 131, §40
and Town of Seekonk By-Laws**

From SEEKONK CONSERVATION COMMISSION Issuing Authority.

To Robert Saleeba Address (Same)
(Name of person making request) (Name of Property Owner)

Address 285 Anthony St., Seekonk, MA 02771 Address (Same)

This determination is issued and delivered as follows:

 by hand delivery to applicant or representative making request on _____ (date)

 X by certified mail, return receipt requested on 8/12/97 (date)

Pursuant to the authority of G.L. c.131, §40, the Seekonk Conservation Commission has considered your request for a Determination of applicability and its supporting documentations, and has made the following determination (check which is applicable):

Location: Street Address: 285 Anthony St.

Plat Number _____ Lot Number _____

This Determination is positive:

1. The area described below, which includes all/part of the area described in your request, is an Area subject to Protection under the Act. Therefore, any removing, filing, dredging, or altering of that area requires the Filing of a Notice of Intent.
2. The work described below, which includes all/part of the work described in your request, is within an Area Subject to Protection Under the Act and will remove, fill, dredge, or alter that area. Therefore, said work requires the filing a Notice of Intent.
3. The work described below, which includes all/part of the work described in your request is within the Buffer Zone as defined in the regulations, and will alter an Area Subject to Protection Under the Act. Therefore, said work requires the filing of a Notice of Intent.

This Determination is negative:

1. The area described in your request is not an Area subject to Protection Under the Act.
2. The work you described in your request is within and Area Subject to Protection Under the Act, but will not removed, fill, dredge, or alter that area. Therefore, said work does not require the filing of a Notice of Intent.
3. The work described in your request is within the buffer zone as defined in the regulations, but will not permanently alter an area subject to protection under the act. Therefore said work does not require the filing of a Notice of Intent.* (See conditions below)
4. The area you described in your request is subject to Protection Under the act, but since the work you describe therein meets the requirements for the following exemption, as specified in the Act and the regulations, no Notice of Intent is required _____
