The property is recorded at the Registry of Bristol County

Book 1178 Page 479

Certificate (if registered) _____

The Notice of Intent for this project was filed on February 26, 1987 (date)
and Revised 3/11/87

The public hearing was closed on April 27, 1987 (date)

Findings

The Seekonk Conservation Commission has reviewed the above-referenced Notice of Intent and plans and has held a public hearing on the project. Based on the information available to the Seekonk Conservation Commission at this time, the Seekonk Conservation Commission has determined that the area on which the proposed work is to be done is significant to the following interests in accordance with the Prescriptions of Significance set forth in the regulations for each Area Subject to Protection Under the Act (check as appropriate):

- Public water supply
- Private water supply
- Ground water supply
- Flood control
- Storm damage prevention
- Prevention of pollution
- Land containing shellfish
- Fisheries

Board of Health Approval Special Conditions (Use additional paper if necessary)	1-28-87		

This application for a permit to alter wetlands under Chapter 131, Section 40, is hereby denied for the following reason(s):

The applicant contends that the area in question is an isolated depression with no inlet or outlet. However, upon inspection, the Conservation Commission feels the site is definitely vegetated wetlands. The application was rejected because it would involve the filling of over 5,000 square feet of wetlands.
