(Name of Applicant)

(Name of property owner)

530 Boston Post Road  
Narlboro, MA 01752

191 Fairway Drive

Address Seekonk, MA 02771

This Order is issued and delivered as follows:

by hand delivery to applicant or representative on \_\_\_\_\_ (date)  
 by certified mail, return receipt requested on May 13, 1987 (date)

This project is located at Highland Avenue, Rt. 6, Plat 7, Lots 2, 38, 39, 60, 61, 62, 240 & 326The property is recorded at the Registry of Bristol CountyBook 1739 Page 937

Certificate (if registered) \_\_\_\_\_

The Notice of Intent for this project was filed on April 15, 1987 (date)The public hearing was closed on May 11, 1987 (date)**Findings**

The Seekonk Conservation Commission has reviewed the above-referenced Notice of Intent and plans and has held a public hearing on the project. Based on the information available to the Seekonk Conservation Commission at this time, the Seekonk Conservation Commission has determined that the area in which the proposed work is to be done is significant to the following interests in accordance with the Precautions of Significance set forth in the regulations for each Area Subject to Protection Under the Act (check as appropriate):

- |   |   |
|---|---|
| <input type="checkbox"/> Public water supply  | <input checked="" type="checkbox"/> Storm damage prevention |
| <input type="checkbox"/> Private water supply | <input checked="" type="checkbox"/> Prevention of pollution |
| <input type="checkbox"/> Ground water supply  | <input type="checkbox"/> Land containing shellfish          |
| <input type="checkbox"/> Flood control        | <input type="checkbox"/> Fisheries                          |

Therefore, the Seekonk Conservation Comm. hereby finds that the following conditions are necessary, in accordance with the Performance Standards set forth in the regulations, to protect those interests checked above. The Seekonk Conservation Comm. orders that all work shall be performed in accordance with said conditions and with the Notice of Intent referenced above. To the extent that the following conditions modify or differ from the plans, specifications or other proposals submitted with the Notice of Intent, the conditions shall control.

#### General Conditions

1. Failure to comply with all conditions stated herein, and with all related statutes and other regulatory measures, shall be deemed cause to revoke or modify this Order.
2. This Order does not grant any property rights or any exclusive privileges; it does not authorize any injury to private property or invasion of private rights.
3. This Order does not relieve the permittee or any other person of the necessity of complying with all other applicable federal, state or local statutes, ordinances, by-laws or regulations.
4. The work authorized hereunder shall be completed within three years from the date of this Order unless either of the following apply:
  - (a) the work is a maintenance dredging project as provided for in the Act; or
  - (b) the time for completion has been extended to a specified date more than three years, but less than five years, from the date of issuance and both that date and the special circumstances warranting the extended time period are set forth in this Order.
5. This Order may be extended by the issuing authority for one or more periods of up to three years each upon application to the issuing authority at least 30 days prior to the expiration date of the Order.
6. Any fill used in connection with this project shall be clean fill, containing no trash, refuse, rubbish or debris, including but not limited to lumber, bricks, plaster, wire, lath, paper, cardboard, pipe, tires, ashes, refrigerators, motor vehicles or parts of any of the foregoing.
7. No work shall be undertaken until all administrative appeal periods from this Order have elapsed or, if such an appeal has been filed, until all proceedings before the Department have been completed.
8. No work shall be undertaken until the Final Order has been recorded in the Registry of Deeds or the Land Court for the district in which the land is located, within the chain of title of the affected property. In the case of recorded land, the Final Order shall also be noted in the Registry's Grantor Index under the name of the owner of the land upon which the proposed work is to be done. In the case of registered land, the Final Order shall also be noted on the Land Court Certificate of Title of the owner of the land upon which the proposed work is to be done. The recording information shall be submitted to the Seekonk on the form at the end of this Order prior to commencement of the work. Conservation Commission
9. A sign shall be displayed at the site not less than two square feet or more than three square feet in size bearing the words, "Massachusetts Department of Environmental Quality Engineering, File Number SE 69-127"
10. Where the Department of Environmental Quality Engineering is requested to make a determination and hearings before the Department.
11. Upon completion of the work described herein, the applicant shall forthwith request in writing that a Certificate of Compliance be issued stating that the work has been satisfactorily completed.
12. The work shall conform to the following plans and special conditions:
