OF CONDITIONS CONTINUED

FILE NO. 69-40

The applicant, any person aggrieved by this order, any owner of land abutting the land upon which the proposed work is to be done, or any ten residents of the city or town in which such land is located, are hereby notified of their right to appeal this order to the Department of Environmental Quality Engineering provided the request is made in writing and by certified mail to the Department within ten (10) days from the issuance of this order.

ISSUED BY Seekonk Conservation Commission

Lucas J. Ryan

Ruth W. Broadley

[Signature]

Peter [Signature]

On this eight day of February 1979, before me personally appeared Juan Mauer known to be the person described in, and who executed, the foregoing instrument and acknowledged that he executed the same as his free act and deed.

James M. Dowdell

My Commission expires

June 5, 1981

5. Any fill used in connection with this project shall be clean fill, containing no trash, refuse, rubbish or debris, including, without limiting the generality of the foregoing, lumber, bricks, plaster, wire, lath, paper, cardboard, pipe, tires, ashes, refrigerators, motor vehicles or parts of any of the foregoing.
6. No work may be commenced until all appeal periods have elapsed from the order of the Conservation Commission or from a final order by the Department of Environmental Quality Engineering.
7. No work shall be undertaken until the final order, with respect to the proposed project, has been recorded in the Registry of Deeds for the district in which the land is located within the chain of title of the affected property. The Document number indicating such recording shall be submitted on the form at the end of this order to the issuer of this order prior to commencement of work.
8. A sign shall be displayed at the site not less than two square feet or more than three square feet bearing the words, "Massachusetts Department of Environmental Quality Engineering. Number 69-40."
9. Where the Department of Environmental Quality Engineering is requested to make a determination and to issue a superseding order, the Conservation Commission shall be a party to all agency proceedings and hearings before the Department.
10. Upon completion of the work described herein, the applicant shall forthwith request, in writing, that a Certificate of Compliance be issued stating that the work has been satisfactorily completed.
11. The work shall conform to the following described plans and additional conditions:
 - A. The existing slope to the river shall remain in its natural Plan of Land in Seekonk, Mass. belonging to Rocky Hill Farm, Inc. by Caputo and Wick, Dec., 1978.
