OLD BUSINESS

Discussion with the Town Administrator regarding the Annual Disposal Fee Exemptions.

Mr. Shawn Cadime was present for this discussion. The Board of Health currently feels that the permitting of the dumpsters and a list of those dumpsters should be handled by the Board of Health. However those applications that are late, the exemption should not be handled by them. Mr. Cadime agrees with the Board and the exemptions after the due date should be handled by the Board of Selectmen since they are the ones who set the trash fee.

Mr. Cadime will speak with the Board of Selectmen regarding this issue.

Review of the Seekonk Board of Health Rules and Regulations for Body Art Establishments and Practitioners.

Ms. Hallal presented additions and changes to regulations. The Board wishes to have these changes completed and presented at the next Board of Health meeting.

Review of the Seekonk Board of Health Regulations 10.0.0 Stable Regulations

The only change to this regulation is the due date of the application from November 1st to December 1st. The Board would like to see the changes at the next meeting.

BOARD CORRESPONDENCE AND COMMENTS

Mr. Brown LPN informed the Board that he will probably not seek reappointment in June. He believes there should be a stipend for the Board members. People's time is very valuable and being on these Boards is time consuming.

At 5:40pm Mr. Costa made the motion to adjourn, seconded by Mr. Brown LPN and so voted unanimously.
