

CIC Meeting Minutes

Meeting minutes for the November 6, 2013 meeting, which took place in the Planning Board Room at Seekonk Town Hall.

The meeting was called to order by Lauren Walsh at 6:00 Pm.

Attending- Lauren Walsh, Frank Casarella, Robert Sellers, Larry Ransom, and Mike McNulty.

Not Attending- Terry DeSilva

Item 1. The minutes from the October 30, 2013 meeting were reviewed. A motion was made by Larry Ransom to accept the minutes and was seconded by Robert Sellers. All in attendance approved the minutes except Mike McNulty who abstained.

Item 2. Bob Lamoureaux gave a courtesy presentation on the Public Safety signal to be installed on Taunton Ave. (Route 44)

Item 3. A Life Safety (Fire) items review was presented by Larry Ransom. Mr. Ransom contacted David Bowden on October 25, 2015 to discuss fire safety. Dave Bowden's best recollection is that all buildings in town that are used are up to date on fire safety. However, a control cabinet in the Library is old and not made any longer and parts are expensive and or non-existent. A more modern panel alone could be exchanged using the existing wiring for a cost around \$5000.

Item 4. The Committee reviewed and discussed the Town Meeting Handout from this past June. The CIC will prepare a similar handout for the next June Town Meeting.

Item 5. The CIC discussed the future priorities of the committee and the next steps to be taken to achieve those priorities. Some of the topics included formulating a plan to address roofs on town buildings, and replacing floor and ceiling tiles at the Martin School.

A motion to adjourn was made by Frank Casarella and seconded by Larry Ransom, and all in attendance approved. The meeting adjourned at 7:05 PM.

Minutes provided by Frank Casarella
