Relish in the picturesque New Hampshire countryside as we explore some of the most amazing covered bridges. Covered Bridges are popular in NH and are often referred to as *Kissing Bridges*. They were built as a shelter from the rain and to protect the bridge from the hard New England winters. Today they are a beautiful reminder of New England's past. Bring your camera as we will visit many covered bridges stretching across rivers and brooks. We will meet our professional guide in Troy, NH for a guided tour of New Hampshire's Covered Bridges. After the tour we will eat a delicious lunch at the *Inn at East Hill Farm*. This historic family run Inn is located at the base of *Mt. Monadnock*.
