To the extent that the following conditions modify or differ from the plans, specifications or other proposals submitted with the Notice of Intent, the conditions shall control.

General Conditions

1. Failure to comply with all conditions stated herein, and with all related statutes and other regulatory measures, shall be deemed cause to revoke or modify this Order.
2. The Order does not grant any property rights or any exclusive privileges; it does not authorize any injury to private property or invasion of private rights.
3. This Order does not relieve the permittee or any other person of the necessity of complying with all other applicable federal, state or local statutes, ordinances, by-laws or regulations.
4. The work authorized hereunder **shall be completed within three years** from the date of this Order unless either of the following apply:
 - (a) the work is a maintenance dredging project as provided for in the Act;
 - or
 - (b) the time for completion has been extended to a specified date more than three years, but less than five years, from the date of issuance and both that date and the special circumstances warranting the extended time period are set forth in this Order.
5. This Order may be extended by the issuing authority for one or more periods of up to three years each upon application to the issuing authority at least 30 days prior to the expiration date of the Order.
6. Any fill used in connection with this project shall be clean fill, containing no trash, refuse, rubbish, or debris, including but not limited to lumber, bricks, plaster, wire, lath, paper, cardboard, pipe, tires, ashes, refrigerators, motor vehicles or parts of any of the foregoing.
7. No work shall be undertaken until all administrative appeal periods from this Order have elapsed or, if such an appeal has been filed, until all proceedings before the Department have been completed.
8. **No work shall be undertaken until the Final Order has been recorded** in the Registry of Deeds or the Land Court for the district in which the land is located, within the chain of title of the affected property. In the case of recorded land, the Final Order shall also be noted in the Registry's Grantor Index under the name of the owner of the land upon which the proposed work is to be done. In the case of registered land, the Final Order shall also be noted on the Land Court Certificate of Title of the owner of the land upon which the proposed work is done. The recording information shall be submitted to the Seekonk Conservation Commission on the form at the end of this Order prior to the commencement of the work.
9. A sign shall be displayed at the site not less than two square feet or more than three square feet in the size bearing the words, "Massachusetts Department of Environmental Protection, File Number SE 69-380".

10. Where the Department of Environmental Protection is requested to make a determination and to issue a Superseding Order, the Conservation Commission shall be a party to all agency proceedings and hearings before the Department.
11. Upon completion of the work described herein, the applicant shall forthwith request in writing that a Certificate of Compliance be issued stating that the work has been satisfactorily completed.
12. The work shall conform to the following plans and special conditions:

Special Conditions (Use additional paper if necessary)

SPECIAL ORDERS OF CONDITIONS

13. Any changes made or intended to be made in the plans shall require the applicant to inquire of the Conservation Commission, in writing, whether the change is substantial enough to warrant filing a new Notice of Intent.
14. The Seekonk Conservation Commission may, at their discretion, require an as-built plan, signed and stamped by a professional engineer or land surveyor or registered in the Commonwealth of Massachusetts further to General condition #11.
15. Failure to comply with General Condition #8 shall be deemed cause to revoke these Orders of Condition. As an alternative, the Commission may record this Order in the Registry and charge the applicant the cost of recording.
16. Prior to the commencement of any work on the site:
 - a. the applicant shall inform the Seekonk Conservation Commission in writing of the name, address, business and home telephone number of the project supervisor who will be responsible for insuring on-site compliance with this Order.
 - b. the Seekonk Conservation Commission shall be notified in advance of the date upon which construction activities on the site are to commence.
 - c. the border of the Resource areas on the site shall be clearly marked in the field by stakes or flags placed at 25 foot intervals. A continuous barrier shall be established between the work area and the designated Resource Areas, including those areas of proposed replication. The barrier shall consist of a hay/straw bale dike or acceptable alternative as specified on the plans. This barrier shall be inspected by the Seekonk Conservation Commission prior to start of any other on-site construction.
17. Members and Agents of the Seekonk Conservation Commission shall have the right to enter and inspect the site for the purpose of evaluating compliance with the conditions and performance standards stated in this Order, the Act, & 310CMR 10.0. The Commission reserves the right to request any additional data deemed necessary to further their evaluation.
