Pursuant to the authority of G.L. c. 131, §40, the Seekonk Conservation Commission has considered your request for a Determination of Applicability and its supporting documentation, and has made the following determination (check whichever is applicable):

This Determination is positive:

1. The area described below, which includes all/part of the area described in your request, is an Area Subject to Protection Under the Act. Therefore, any removing, filling, dredging or altering of that area requires the filing of a Notice of Intent.

2. The work described below, which includes all/part of the work described in your request, is within an Area Subject to Protection Under the Act and will remove, fill, dredge or alter that area. Therefore, said work requires the filing of a Notice of Intent.

3. The ~~work~~^{area} described below, which includes all/part of the ~~work~~^{area} described in your request, is within the Buffer Zone as defined in the regulations, and ~~is~~^{is} an Area Subject to Protection Under the Act. Therefore, ~~said~~^{any future} work requires the filing of a Notice of Intent.

This Determination is negative:

1. The area described in your request is not an Area Subject to Protection Under the Act.
2. The work described in your request is within an Area Subject to Protection Under the Act, but will not remove, fill, dredge, or alter that area. Therefore, said work does not require the filing of a Notice of Intent.
3. The work described in your request is within the Buffer Zone, as defined in the regulations, but will not alter an Area Subject to Protection Under the Act. Therefore, said work does not require the filing of a Notice of Intent.
4. The area described in your request is Subject to Protection Under the Act, but since the work described therein meets the requirements for the following exemption, as specified in the Act and the regulations, no Notice of Intent is required: _____
