**Request for Determination of Applicability Cont.**

6. Attached is a plan or plans showing:
- an appropriately scaled site location map;
  - references to any previous Chapter 91 licenses, permits or other authorizations for existing structures, fill, or dredging at the site, including the license number(s) and the date(s) the license(s) was recorded at the Registry of Deed or Land Court;
  - appropriately scaled principal dimensions and elevations of proposed and existing fill, structures, or dredging in waterways;
  - any historic dredging, filling, or impoundment at the site; and
  - a delineation of the present high and low water marks, and the historic high and low water marks.
- Please note the source information for all items provided in Section 6.
7. At the same time that this request was submitted to the Department of Environmental Protection, I submitted copies of it to all persons identified in 310 CMR 9.13(1)(a), and have attached their names and addresses to this form.
8. I understand that the Department of Environmental Protection may, at its discretion, require that a public hearing be held and that a newspaper notice be published at my expense regarding this request.
9. I understand that any person may submit written comments to the Department of Environmental Protection on this request within twenty-one (21) days of the date the request is received by the Department or the newspaper notification date, if applicable. I hereby certify under the pains and penalties of perjury that the foregoing statements, information and accompanying material are true and complete to the best of my knowledge.
