Certificate (if	registered)				
The Notice o	of Intent for this project was filed	on Apri	1 23, 1984	(date)	
The public h	earing was closed onMav_	14, 1984	(da	ate)	
Findings					
- Sools	. Conservation Comm	nission	has reviewed the ab	ove-referenced Notice o	f
Intent and p	lans and has held a public heari	ng on the project impathe Seek	t. Based on the information. Conservation	Committee determined that	
	which the proposed work is to applions of Significance set forth	THE COURS IS MITTH	inant to the following inte	61 6212 III 90001 garioo 11	
	as appropriate):				
	Public water supply		torm damage prevention	4	
	Private water supply		revention of pollution		
	Ground water supply		and containing shellfish		
-69	Flood control	⊔F	isherles		

Therefore, the <u>Seek. Conservation Comm.</u> hereby finds that the following conditions are necessary, in accordance with the Performance Standards set forth in the regulations, to protect those interests checked above. The <u>Seek. Conservation Comm.</u> orders that all work shall be performed in accordance with said conditions and with the Notice of Intent referenced above. To the extent that the following conditions are story as a context of the said conditions and with the Notice
In accordance with said conditions and with the Notice of Internations of other proposals submitted with the Notice lowing conditions modify or differ from the plans, specifications or other proposals submitted with the Notice
of Intent, the conditions shall control.

## **General Conditions**

- 1. Failure to comply with all conditions stated herein, and with all related statutes and other regulatory measures, shall be deemed cause to revoke or modify this Order.
- 2. This Order does not grant any property rights or any exclusive privileges; it does not authorize any injury to private property or invasion of private rights.
- 3. This Order does not relieve the permittee or any other person of the necessity of complying with all other applicable federal, state or local statutes, ordinances, by-laws or regulations.
- 4. The work authorized hereunder shall be completed within three years from the date of this Order unless either of the following apply:
  - (a) the work is a maintenance dredging project as provided for in the Act; or
  - (b) the time for completion has been extended to a specified date more than three years, but less than five years, from the date of issuance and both that date and the special circumstances warranting the extended time period are set forth in this Order.
- 5. This Order may be extended by the issuing authority for one or more periods of up to three years each upon application to the issuing authority at least 30 days prior to the expiration date of the Order.
- 6. Any fill used in connection with this project shall be clean fill, containing no trash, refuse, rubbish or debris, including but not limited to lumber, bricks, plaster, wire, lath, paper, cardboard, pipe, tires, ashes, refrigerators, motor vehicles or parts of any of the foregoing.
- 7. No work shall be undertaken until all administrative appeal periods from this Order have elapsed or, if such an appeal has been filed, until all proceedings before the Department have been completed.
- 8. No work shall be undertaken until the Final Order has been recorded in the Registry of Deeds or the Land Court for the district in which the land is located, within the chain of title of the affected property. In the case of recorded land, the Final Order shall also be noted in the Registry's Grantor Index under the name of the owner of the land upon which the proposed work is to be done. In the case of registered land, the Final Order shall also be noted on the Land Court Certificate of Title of the owner of the land upon which the proposed work is to be done. The recording information shall be submitted to the Seek. Con. Comm. on the form at the end of this Order prior to commencement of the work.
- 9. A sign shall be displayed at the site not less than two square feet or more than three square feet in size bearing the words, "Massachusetts Department of Environmental Quality Engineering, File Number SE 69-77
- 10. Where the Department of Environmental Quality Engineering is requested to make a determination and to issue a Superseding Order, the Conservation Commission shall be a party to all agency proceedings and hearings before the Department.
- 11. Upon completion of the work described herein, the applicant shall forthwith request in writing that a Certificate of Compliance be issued stating that the work has been satisfactorily completed.
- 12. The work shall conform to the following plans and special conditions:
