

Affordable Housing Advisory Committee

Meeting: Tuesday May 19, 2009

Human services Building 7:00PM

Call to order 7:00PM

Ed Haberek did not appear owing to a scheduling error. We will pursue opportunities related to the Elderly Affordable Housing Project at a later date after we have contacted Ed.

We gathered information to document agendas and meetings as required to satisfy Freedom of Information rules. Jim Kelley will assemble it, distribute it to committee members, make corrections, and submit the resulting documents to Cynthia Ladwig.

Tom Hyland and Jim Kelley presented the Affordable Housing Report to the Selectmen at their April 22, 2009 meeting. It was warmly received and unanimously accepted by the Selectmen.

Alisa will follow up on having Carol Umphlett appointed to our committee. Alisa reviewed the Charter and sees no requirement for Advisory Committee members, such as we are, to be town residents.

Ian Camfield attended the meeting as a visitor and offered observations on he thought the Committee should proceed.

Meeting adjourned at 8:15 PM
