Thursday, July 22, 21010  
6:00PM Central Office

Members In Attendance: S. Agnello, L. Masterjoseph, A. Morrison, B. Morrone, S. Thomas  
Invited Guest in Attendance: K. Donovan

Meeting convened at 6:02pm

Discussions:

1. Field Use – K. Donovan confirmed that Pop Warner does in fact use the football field on weekends during the football season. There is still some question concerning their use of the concession stand. Will ask B. King about insurance for this.
2. The Committee agreed that this exception granted to field use protocol for Pop Warner is problematic in that it singles that group out for preferential treatment.
3. There is no desire to prohibit Pop Warner's use of the fields, but rather to institute a protocol that does not demonstrate favoritism to any one group while denying access to others.
4. Simultaneously, the fields must be properly maintained to insure optimal use by school teams.
5. This committee is eager to establish:
  - a. A draft plan for consideration that establishes new protocol for field use requests.
  - b. A recommended fee schedule for use of fields by non-school agencies.
  - c. Data re: dimensions of all viable fields
  - d. A clear understanding of where rental fees collected for field use go – general fund?  
Other?
6. K. Donovan, B. King, B. Morrone are asked to develop drafts related to the above #5 (a-d) and to report back to this committee at our next meeting.

Next meeting date: September 9<sup>th</sup>, 6pm, Central Office
