New Business

Derelict Boats

Tim Delgado of the DOT is compiling a list of derelict boats in the state for analysis. The barge located near Kitchen Little will be on the list.

Safety concern for Odyssey 27

There is concern for an Odyssey 27 sail boat registered to Scott Reed. It is still in the water and is on another person's mooring. History has shown that a boat may be damaged or cause damage to surrounding docks if left on a mooring all winter because of ice and severe weather will render the boat inaccessible.

Adjournment

Mr. Allyn made a motion to adjourn the meeting at 8:30 p.m. Mr. Allard Seconded the motion and it was so voted.

Respectfully submitted,

David Carreau, Chairman
