East Fairway

This fairway, in Stonington waters, must be marked to ease the ever increasing congestion in the federal channel. Efforts are underway to identify moorings, via satellite imaging dated September 15, 2011 that are in the fairway area and designated open space area to the south. It is necessary that fairway markers be in place for the 2013 season. The present mooring arrangement does not meet the intent of the Mystic Harbor Management Plan.
