(5) Town Hall Space Needs Analysis

Overall the Committee members expressed their satisfaction with the work done by Silver/Petrucci + Associates, Inc. on the Space Needs Analysis. Scheme 3 Revision B is the most favorable and cost effective plan. It utilizes the existing space and will meet the needs of the Town Hall through 2031.

George Brennan stated only one plan was done to meet the zoning requirements for parking. The site plan supports the expansion and provides for adequate privacy for neighbors. Tony Cassata suggested that perhaps some landscaping could be factored in to address any concerns, e.g. low profile lighting, etc.

Tony Cassata made a motion to approve Scheme 3 Revision B and supporting site plan with two canopies, and forward the scheme to the Board of Selectman following a review by the Committee of the final report to be prepared by Silver/Petrucci, seconded

by Charles Ballato, and the motion carried unanimously. George Brennan will contact William Silver to proceed with the final report.

(6) Adjournment

There being no further business, Charles Ballato made a motion to adjourn at 7:20 p.m., seconded by Tony Cassata, and the motion carried unanimously.
