FINAL MINUTES

1. CALL TO ORDER

SHMC Chair Peter Vermilya called the meeting to order at 2:10pm.  
Present were Spike Lobdell and Dan Verdier representing the New England Science and Sailing Foundation (NESS), and Jean Dixon, Jesse Diggs, and Peter Vermilya, representing the Stonington Harbor Management Commission.

The sole item discussed at the meeting was the possible repurposing of the CT DEEP Boating Infrastructure Grant funding, originally earmarked for construction of new transient dockage at NESS's Stonington Harbor facility, toward some other purpose of benefit to the public in Stonington Harbor. Several alternatives were discussed, but no decisions were made, as no quorum of SHMC members was present.
