

**Town of Stow
Capital Planning Committee
Meeting Minutes
May 6, 2013**

The Capital Planning Committee met prior to the Town Meeting and discussed the request submitted by the Highway Dept. The accessories for the truck can be purchased this year or put off one year. If accessories are included in the purchase the cost is \$5000; if delayed and purchased separately they will be \$7000.

Ross Perry made a motion to approve the purchase of the truck with accessories the \$98K included in the warrant

The motion was unanimously passed.

Respectfully submitted,

Myie Yvanovich
