**Town Meeting Review**

Members discussed the process for Town Meeting and the lack of voters. The rescheduling of Town Meeting due to the storm was the reason. The voters didn't understand that the article had to pass at Town Meeting or the passing vote at the polls would be no good. Because it passed at the Poles they didn't think they had to go to the Town Meeting.

Richard commented that they have to get the information out to the residents. He commented that there are better ways to have better communication options to reach the residents.

Committees are now considering different ideas to approach the next Town Meeting and reach more of the residents. The warrant went out in the local paper to every house in Stow with the Town Meeting information inside.

Richard commented that he was surprised that the science labs got voted down.

**Other Business**

Town Clerk will be coming to Fincom in Dec for a reserve fund transfer

**Respectfully,**

Elizabeth A. Tobey,
