

The Lake Boon Commission
2/20/01 Meeting

Commission Members; Conray Wharff, John Toole and Cindy Curley present at meeting which commenced at 7:35pm.

Lee Lyman from Lycott Associates presented the two recommended Lake management solutions to the Officials of Stow and Hudson and interested Residents.

The two Lake management programs are annual drawdown along with Herbicide treatments.

All questions from the audience were answered.

The Commissioners unanimously voted to submit notices of intent to both Stow and Hudson to request permission to conduct drawdown and chemical treatment of the Lake.

The Meeting commenced at 9:30pm
