

Lake Boon Commission
3/20/01 Meeting Minutes

Meeting started at 7:41pm with all Commissioners present.

Minutes from 2/13/01 and 2/20/01 approved.

Con Com meetings: Stow 5/1 Hudson 4/19

JT attended Fin Com meeting and LBC budget approved. Fin Com asked JT to consider some winter patrolling of the Lake by the LBC.

Lee Lyman from Lycott Assoc. presented the opportunity for the LBC to apply for a demonstration grant from the state. Connie motioned, Cindy seconded and all approved spending up to \$1000 for Lee Lyman to assist the LBC in applying for the demonstration grant. The grant gives up to \$300,000 over a three year period for Lake Management and evaluation of the effectiveness of management techniques. Lee committed to four public hearings and a follow-up working session with the ConComs as part of the Lycott study fee.

Don Hawkes will give JT the name of the local Watershed Manager so the LBC can solicit feedback on the demonstration grant feasibility.

Cindy motioned, Connie seconded and all approved JT setting up a future meeting with the Stow Board of Health to address Lake areas of mutual interest such as the sinking boat issue.

Meeting adjourned at 8:35pm.

Respectfully Submitted: Cindy Curley
