

# TRAFFIC STUDY PRESENTATION

**Saturday**

**May 13, 2006**

**10:30 a.m.**

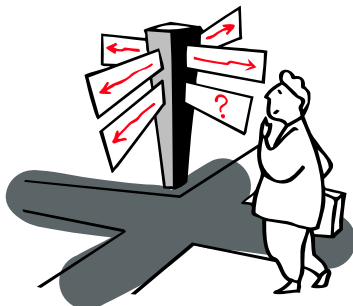

**Faxon Professional Building**

**183 Great Road**

**(next to the Post Office)**

Fay, Spofford & Thorndike (FST) will present the results of their Lower Village traffic study with proposed recommendations for meeting the traffic and pedestrian needs of Lower Village.

Several potential solutions for improving traffic flow and pedestrian safety have been identified.

**Come hear  
proposed  
solutions and  
share your  
thoughts.**
