

LOWER VILLAGE TRAFFIC STUDY PRESENTATION

**Wednesday
November 15, 2006
7:30 p.m.
STOW TOWN HALL**

Fay, Spofford & Thorndike (FST) will present the results of their Lower Village Traffic Study with proposed recommendations for meeting the traffic and pedestrian needs of Lower Village.

Potential solutions for improving traffic flow and pedestrian safety have been identified.

**Come hear proposed solutions
and
share your thoughts.**
